2020:** *Summer 2
begins*

**Monday 1st June
2020:** *Inset Day.*
*There will be no
online lessons on this
day.*

Assalamualaikum Warahmatullah Wabarakatu

I hope this finds you and your family in the best of health. As the situation around us unfolds, we are given the opportunity to reflect on His many favours, in particularly realising the blessing of good health. For those families who have experienced the loss of a loved one, our thoughts and prayers are with you.

As our online learning continues this half term, we are pleased to offer more on the timetable. Children can now access the majority of the curriculum with English, math, Arabic, Quran and Tarbiyyah being offered initially and now with the addition of Topic where children learn other subjects related to the half termly area of learning including science, geography, history, art, D&T and computing. We are also pleased to add live PE lessons as well as weekly assemblies. In order to offer provision as close to regular school as possible, we have also conducted tests and assessments to keep track of student progress, as well as offer bespoke intervention sessions to particular students. We frequently review our provision and endeavour to make improvements wherever we can.

The school will carry on running remotely until we receive instructions from the Department for Education. Just as they are not certain of when schools will be reopening, neither are we. Please be rest assured the school will keep you informed of any updates.

Keep safe, healthy and enjoy yourselves as you reap the rewards of Ramadan.

Baarakallahu Feek

Umm Yusuf

A Special Thank You

Given the circumstances and how rapidly the learning platform had to change, the children have adapted very well and parents have done tremendously in making this transition as easy for them as possible. This newsletter will not be complete without a special thank you to the teachers. In this ever-changing teaching and learning environment, the teachers have shown great courage in the face of huge uncertainties. They have taken on new and unfamiliar challenges, with an attitude of front-liners, determined to give the children the best they possibly can. Despite the difficulties of working from home, juggling demands of family life, sickness and various mental pressures, they put on a brave face (or voice) on a daily basis, focusing solely on creating the best opportunities.

Jazak Allahu Khayran

Fees

The fees for 2019-20 will remain unchanged. Unfortunately, the school is not in a position to offer any discounts or packages. Please keep up to date with your fee payments and communicate with the school if you are experiencing any delays.

Ramadan Timings

The summer 1 timetables will continue in Ramadan. If your child is not able to keep up with the whole of the timetable, please do not worry, teachers will be sharing various information on Class Dojo.

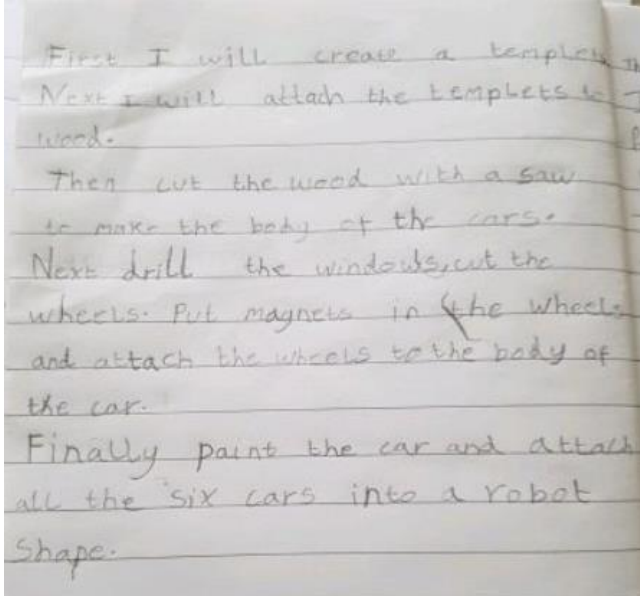

Keep in Touch

For any fees related queries, email: businessmanager.tarbiyyahschool@gmail.com

What have the children been up to?

As well as working hard to produce work of high standard, the children are also continuing to explore their creative side.

Fatima M (Year 1) designed her own toys as part of the 'Memory Box' topic and included detailed instructions on how to make them. Top job Fatima!

Noor Khan (Year 2) used recycled materials to create her very own castle as part of the year 2 topic of Towers, Tunnels & Turrets. Fit for a queen!

An innovative project from Abdur Rahman (Year 6) who made an igloo using packaging material as part of his 'Frozen Kingdom' topic. What a brilliant idea!
