## What a great start to the year!

Assalamualaikum Warahmatullah Wabarakatu

Masha'Allah the children did not take much time to settle in and acquaint themselves with Covid guidelines and routines around school. Alhumdulillah we are blessed not to have had any positive cases in school so far. However, with cases around the country rising daily, it is something which could happen any time. If we have to send any classes home to self isolate, the school will provide online learning insha'Allah. Please communicate via Class Dojo if you have any questions about online learning for your child. Currently, Hounslow is in tier 2, which allows schools to remain open. Keep an eye on Class Dojo for any updates.

I would like to take this opportunity to thank the staff for making the start of the year extremely exciting and full of wonderful learning experiences. I would like to thank the parents for providing the invaluable support needed for the school to carry out the all the initiatives we plan. May Allah subhanahuatallah continue to shower his blessings upon us so we keep working together in order to provide the very best for our children. May he keep our children protected and grant them complete health and knowledge.

Umm Yusuf

# THE POWER OF READING

Alhumdulillah we have invested in a reading scheme which will provide vast reading opportunities for children in our school. While children in early years will continue reading from the Oxford Reading Tree, children in primary will now get to access the Accelerated Reader program with levelled reading books from our newly formed library in school. The children have been assessed and will be informed of their reading book levels. They will be able to borrow books of their reading range and

complete an electronic comprehension quiz on each book they read before moving onto the next one. Their progress will be recorded on the system and used for assessment purposes.

The Accelerated Reader program is used by many outstanding schools around the country and we are feeling extremely grateful to be able to offer this to our children.

## What we need parental support with:

- \* **Help your child look after their books and reading records they bring home. Any significantly damaged books will have to be paid for or replaced by parents.**
- \* **Encourage your child to read daily.**
- \* **Give any unwanted books you may have, a new home in the school library.**

## UNIFORM

As the weather is getting colder, it is imperative that children dress appropriately. Please make sure all items of clothing are labelled with your child's name.

When selecting knitwear, please note **only** the following items are part of uniform:

**Boys:** Grey V-neck jumper (available from any supermarket)

**Girls:** Navy blue cardigan (available from any supermarket)

**Early Years:** School logo sweatshirt (available from the school office)

Children will not be allowed to wear any non-uniform items.

All children in nursery & reception need to bring in spare clothes in a labelled bag.

Please make sure you are up to date with fees payments. Parents unable to pay on time will have their children sent home.

" مَا نَحَلَ وَالِدٌ وَلَدَهُ مِنْ نَحْلٍ أَفْضَلُ مِنْ أَنْبٍ حَسَنٍ "

There is no gift a parent gives their child more virtuous than good manners.' (Tirmidhi)
