Me and My Community
Nursery Autumn 1

Here are some highlights from this half term from Nursery!

We decorated ourselves

Nursery used different materials to create themselves e.g. buttons for nose, string for hair, cotton balls for cheeks etc. We encouraged children to talk about the differences they notice between people, whilst also drawing their attention to similarities between different families and communities.

Sun-catchers

When our suncatchers are bright, it means it's sunny!

Just checking if it's sunny today!

Independent reading

After snack/lunch we choose a story to read

We sit down with our friends and talk about the exciting adventures the characters in our stories are going on!

We handle our books with care and turn pages carefully!

Dressing up as characters from stories!

Listening walk…

As we were walking through the park, we encouraged children to use their senses to explore their surroundings (particularly their listening ears) e.g. can you hear the crunch of the leaves? Can you hear the planes flying above us? We asked children to name the birds they can see and describe the sounds they make.
