

Me and My Community

In the Me and My Community project, your child will learn about the school community and building friendships. They will explore the school grounds and find out about all the people in school who are there to help them. They will explore how they are special and unique and how everyone's family is different. They will take part in practical activities to support them to build new friendships and explore what makes a good friend. They will also find out about people in the community who help us, including doctors, nurses, and the emergency services.

Supporting your child at home

- Look at family photographs together and discuss who is part of your family and extended family.
- Look at baby photographs and talk about how they have grown.
- Look at any childhood photographs of parents and grandparents.
- Talk about the things you like to do together and places you like to go.

Maths	Number; Numerical patterns
PD	Gross motor skills; Fine motor skills
PSED	Self-regulation; Managing self; Building relationships
World	Past and present; People culture and communities
