

Topic: Once upon a time...

Nursery's Autumn 2 highlights!

Autumn leaf detectives

Children used the lightbox to investigate the autumn leaves we found outside school. Some children decided to trace around the leaves using tracing paper!

Autumn inspired cooking: children made mud hot chocolate, autumn soup and autumn coffee

We used our fingers to print Autumn leaves onto our tree template – this helped us remember the colours associated with autumn!

Presenting to our friends

Cress project: Nursery presented their cress project to their friends and talked about how they grew their cress.

Freddy the teddy: each week someone takes Freddy the teddy home and presents to their class all the wonderful things they did with their new friend at home.

Autumn crowns AM

Autumn crowns PM

Crime Scene!

Nursery went outdoors only to stumble upon a crime scene! Some children decided to investigate and become detectives and others decided to help the poor teddy that was hurt and became doctors and nurses!

Handa's Surprise!

We created East African necklaces using paper plates and paint and used lots of vibrant colours to decorate and create patterns with!

Children were provided with a variety of life-like fruit and veg from the story 'Handa's surprise' and painted them using only their fingers!

Some children decided to go off and independently read Handa's surprise (with excellent recall!)

Children were given 2 colours (red and yellow) to create an African sunset and observe how the 2 colours mix together different shades of orange.

Who goes trip trap over my bridge?!

We split children into 2 teams (team A and team B) and provided them with construction blocks and asked children to construct a bridge for the three billy goats gruff to cross to get to the other side of the river. We encouraged the groups to think about and discuss the factors they will need to take into account when building the bridge and if they have any ideas about how to build a strong bridge – they all demonstrated excellent teamwork skills! Team A won!!! (First picture)

Autumn Walk

Kicking and stepping on autumn leaves to hear the crunch!

Throwing autumn leaves in the air!

Climbing up the treehouse to get a better view of Heston park!

Exploring Heston Park

Pyjama Party (AM)!!!

Ustadha can you see me??!!

Rhyming chairs!

Colouring station!

Campfire AM!

Pyjama Party PM!!!

Throwing balloons in the air!

Ustadha I'm sipping the hot chocolate!

We turned the lights off in our class and used sensory strobe lights to create a blue sky on our ceiling!

Campfire PM!!!

We really encourage parents to share their child's learning from home via tapestry. This half term we have stand out parents who shared their child's learning throughout this half term. You also give your child the opportunity to present their home learning to friends.

A massive jazaakumullaahu Khairan to...

Umm Ayah, Umm Hiba and Umm Muhammad K!

You are this half terms Home Learning Winners!
