

TARBIYAH PRIMARY SCHOOL NEWSLETTER

Spring 2023

Assalamualaikum Warahmatullahi Wabarakatuhu

Welcome to our spring newsletter! You may have noticed this is our first newsletter this academic year. With an average of over 300 weekly messages shared on Class Dojo, a newsletter seemed excessive. However, with so much to share, the newsletter has returned and we hope you find the information useful.

Please send us a comment on Class Dojo or press the like button if you have read it.

HEAD TEACHER'S MESSAGE

Dear parents & carers,
Assalamualaikum Warahmatullahi Wabaraktuhu

Here we are again at the end of another term and I suspect most of us are wondering quite where the last few months have gone. As always, it has been a busy but very positive and productive term, with lots of activities in and out of school including trips, visitors, workshops and practical learning. Children at TPS have an impressive range of opportunities, but all of these things take time and effort to arrange. I would like to express my sincere appreciation to our staff for their hard work and dedication to our children's academic and personal development.

This term we saw a particular struggle with punctuality as far too many children arrive late to school in the morning. I strongly request parents to set good routines within the household to overcome any transport issues and plan ahead for any unexpected delays on the day.

For some of our children, the end of key stage is fast approaching which brings with it assessments. May Allah subhanahuatallah grant them success and they are able to showcase all that they have learnt.

As we break up for our Ramadan holidays, I wish you all a blessed month filled with prosperity for our families. Please remember the school in your dua.

Have a wonderful holiday and we will see you after Eid insha'Allah.

Umm Yusuf
