Behaviour Policy KS1

Rationale

Tarbiyyah Primary School (TPS) believes in establishing and maintaining a positive learning culture, whereby every child has the right to work purposefully, diligently, securely and confidently.

Our curriculum is intended to:

- Develop and sustain our knowledge: what we learn
- Develop and sustain our hearts and character: who we are
- Develop and sustain our actions and attitudes: how we live and learn
- Develop and sustain our moral compass: the role we play in this world

At TPS we understand that we play a significant role in a child's academic and social development. Therefore, TPS has a set of <u>five core values</u>, which encompasses our intent and belief that children can behave impeccably of their own volition.

The **five core values** are:

- We respect ourselves, others and our environment, as all life comes from Allah (subhana wa ta'Ala)
- We use our best manners at all times, following the best of examples, Prophet Muhammad (may the peace and blessings be upon him).
- We help those in need and share what we have.
- We are patient and preserve when things do not go as we want them to.
- We expect the best from ourselves and aim to achieve excellence.

These core values have been translated into single words with an anagram, making it simpler for the children to remember and adhere to:

- Patience
- Excellence
- Resilience
- Kindness
- Sharing

These are known as the **PERKS** of being part of the Tarbiyyah family.

They also form the expectations we have of all our children to take personal responsibility for their behaviour, attitude towards themselves and others and learning. Please refer to Strands of Expectations.

These intentions and core values are to be applied and acknowledged by management, staff, children, parents and guardians.

Staff Code of Conduct

Staff are expected to demonstrate high levels of personal and professional conduct.

Staff are expected to uphold this trust within this profession and maintain high standards of ethics and behaviour, within and outside of TPS, by:

- Treating children with dignity, building relationships rooted in mutual respect.
- Observing the proper boundaries appropriate to a teacher's professional position.
- Having the need to safeguard the children's well-being.
- Showing tolerance and respect for the rights of others.
- Having a proper and professional regard for the ethos, policies and practices of the school.
- To maintain high standards within their own practices, attendance and punctuality.

Staff are expected to use positive language that encourages and reinforces behaviour that children are constantly reminded of the values and the intent of TPS. Thus, a set of questions are used by staff to prompt and aid children. These are known as the ARE YOU & YOU CAN questions & prompts:

- Are you showing me that you can be patient? You can be patient by waiting for your turn. I won't be long In'shaa'Allah.
- Are you showing me excellence in your behaviour/manners/work? You can show me excellence in your manners by using your indoor voice. I would really appreciate it. Jazaak'Allahu Khayrun.
- Are you showing me resilience? You can be resilient today by trying to attempt ALL your questions in mental maths In'shaa'Allah.
- Are you being kind towards each other? You can be kind by making sure you ask each other how they are feeling today In'shaa'Allah. I know it makes me feel good when someone asks me how I am feeling, Alhumdulillah.
- Are you showing me good sharing? You can share by taking turns to play the game. It makes me feel so happy when I am sharing with my friends. Jazaak'Allahu Khayrun.

High Expectations

To ensure that high standards of behaviour and conduct are ingrained into our children and maintained throughout TPS, the school expects all children, staff, parents and guardians to abide by this policy.

Agreement and acceptance of this policy is implicit.

Attendance and punctuality for all children is expected to be at and no less than 95% each term.

These will be closely monitored every term. Those children in non-compliance will be cautioned verbally and parents/guardians will be notified with a letter to attend a formal meeting with the Head Teacher and/or SENCo.

Parents and guardians are expected to encourage, support and take responsibility for the behaviour of their child/children both inside and outside of TPS. Any form of negative behaviour which brings the school into disrepute will lead to the child's parents being formally notified in writing and a meeting with the Head Teacher will be held to discuss next steps.

Parents and guardians should ensure that students are prepared and equipped with the necessities for school. For example, ensuring they have the correct equipment, their books and textbooks, lunch, water bottles etc. If a child is found without the necessities, they will be reminded, and parents/guardians will be notified. If a child is found persistently in non-compliance for missing equipment, including books and textbooks, this may result in a formal meeting with the Head Teacher.

At TPS we aim and will work in partnership with parents and guardians in assisting and maintaining these high expectations and standards of exceptional behaviour.

Children's Code of Behaviour

In order to ensure that high standards of behaviour are achieved and maintained we expect the children to:

- Attend school.
- Arrive punctually, ready to learn, with their books/book bags.
- To follow instructions from all teachers they meet.
- Show respect towards teachers, other children and visitors. For example, greeting them, opening doors, or any other helpful acts of kindness.
- Encouraging others to do the same through example and wisdom.
- Be an exemplary example of exceptional behaviour to students in EYFS.
- Showing exceptional teamwork, encouraging brotherhood and sisterhood.
- Be respectful of and responsible in taking care of the school and its property.
- Respect the property of other children.
- Keep work areas and social areas clean, tidy, safe and free from litter.
- Focus on their learning, taking pride in their work, excellent presentation, making exceptional effort in any aspect of their learning and providing outstanding quality of work.
- Complete class and homework on time and to a high standard.
- Be mindful of the health and safety of others by following health and safety rules and instructions in lessons and around the school.
- Move around the school in an orderly manner; to walk and form straight lines.
- Not leaving the class without permission; even for the toilet.
- Maintaining exemplary behaviour to and from the school and within the wider community, remembering that you are a representative of Tarbiyyah Primary School.
- Be mindful and respectful of the school's neighbours and the local community.

These behaviours set the benchmark for our children in the aim that they will understand what is expected of them.

Key Stage 1 continues to use the EYFS Behaviour System. This is to continue to support the children with their transition, taking into account the 3A's, from EYFS to Year 1. Children in the Summer Term in Year 2 will begin to gradually use the Steps for primary, so they are accustomed to the system by the end of Year 2, and become familiar as well as have a good understanding of the expectations for Key Stage 2, enabling them to be well prepared for the next stage in their learning.

The children have a set of rules that they are expected to follow when they are in the park. Please refer to the Park Rules.

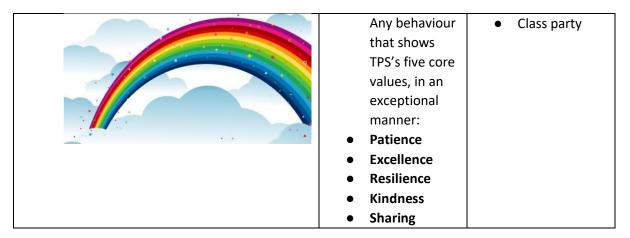

Rewards

As a school we believe strongly in the role of rewards in promoting and rewarding exemplary behaviour. Our staff are encouraged to recognise and reward students, so they can develop a positive image of themselves and nurture self-confidence to feel responsible and committed towards their learning. These are achieved by using the following strategies, as well as the ARE YOU/YOU CAN questions/prompts, that are given as and when required at the discretion of the class teacher. If other staff feel the need to reward the children, they will inform the class teacher who will carry this out.

- Verbal recognition
- Class dojos- each week the class with the most dojos is announced in assembly, and has the
 privilege of sitting on a bench during assemblies for the whole week
- Individual dojos
- Star of the week- based on individual dojos awarded, and they are announced in assemblies
- Good news postcards
- Class based reward charts:

Step	Behaviour	Reward
	Any behaviour that is	Golden Time
	spontaneous, or otherwise,	• Treasure Box!
	acts of good and	Dress up Day!
	consideration	Pizza with
7	of others, their environment,	Umm Yusuf
	and their	
	work.	

- Good News Postcards
- Formal certificate assemblies held on a termly basis
- Commendation letters from the Head Teacher for any child/ren showing exemplary behaviour reflecting the PERKS of TPS.

For exceptional and outstanding achievements and behaviours, TPS teachers hand out to the child/ren 'Golden Tickets'.

These are then taken to Umm Yusuf/Umm Ruqayyah to be logged into the 'Golden Folder'. The folder is displayed in a central place, on view, for staff, children and parents.

The child/ren with the most 'Golden Tickets' will receive a shield (name engraved and the year group they are in), to be received in half term assemblies.

Formal letters will be sent out to parents/carers, notifying them of their child's exemplary and outstanding behaviour/achievements.

<u>Steps</u>

Children must adhere to and follow with due diligence the code of behaviour, which stems from the school's core values.

The expectations of all children are that they meet the high expectations and exemplary behaviour set out in this policy.

Whilst we recognise that it is very important to highlight the positive, we recognise that there is a need for dealing with poor and unacceptable behaviour.

At TPS we recognise, and in line with training delivered to staff on Emotional Literacy and Mental Health, it is imperative that children acknowledge and respond appropriately to how they feel. Therefore, alongside the rewards and steps are **Zones of Regulations**. Through this approach the school is committed to resolve and repair issues that arise between themselves to self-regulate and become self-aware. **Please refer to Restorative Practice Guidance & Form Key Stage 1.**

The table and pictures below explain what is deemed as unacceptable behaviours.

Non- verbal cues should be used to correct any unacceptable behaviours before a verbal reminder is given.

Verbal reminders are given before a child's name is placed on a step.
